

WATER WISE PLEDGE

I

pledge to be "Water Wise".

To be "Water Wise" means that I will have the utmost **RESPECT** for water and all life. I will use water carefully and not **WASTE** it. I will also not **POLLUTE** our rivers with liquid and solid waste. I will **PAY** for my water services. I also promise that if I see water problems I will try to take **ACTION** towards solving the problem, instead of ignoring it. By using water wisely I am **CONSERVING** the natural environment and ensuring the survival of all life on Earth.
