

MANZI'S FUN

SHADOW SHAPES #1

Manzi is trying out different Water Wise activities to see how much water is wasted or saved with each activity. Help him find the correct shadow for each activity by drawing a line, using different colours, from the activity to the shadow.

Manzi closed the dripping tap.

Manzi closed the tap when he washed his hands.

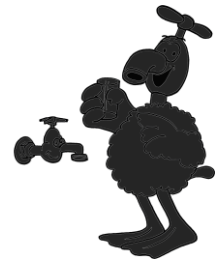

Manzi used a cup to drink water.

Manzi flushed the dual-flush toilet.

Manzi watered the garden with his watering can.

Manzi loves, cares and respects water. Do you?
