

# MANZI'S FUN

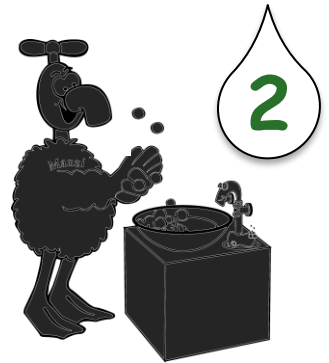

## SHADOW SHAPES #2

Manzi is washing his hands but he is doing it the Water Wise way. He has closed the tap while soaping his hands so that he can save water. Manzi has lost his shadow though and needs you to help him find it. Make a cross over the wrong shadows and circle the right shadow. Write the correct shadow number in the water droplet below Manzi.

Manzi doesn't waste a drop of water. Do you?
