

MANZI'S MATHS

WORKING WITH NUMBERS

Manzi uses water in different ways during the day and he tries not to waste a single drop. Look at the water activities that Manzi does. Count how many times he does each activity. Use 5 different colours and colour the table with the number of times he does each activity.

Manzi uses a glass to drink water

Manzi washes clothes when he has a full load

Manzi has a dual-flush toilet

Manzi uses a bucket to wash his car

Manzi turns the tap off when washing hands

Drop for drop, Manzi uses water wisely everyday.
